

LYRICS – PETER PERJES

## **I Cannot be Only for You**

Charpillon, Casanova

It's been a long time since I stood there abandoned  
The wind blew out the flame an` I don't see it all the same  
Everything we were washed away, washed away in tears  
I got lost in the quiet of the streets.

Trust me, do believe, ever yours is my soul  
Trust me, look here, on my knees I beg you  
Give me one more chance, at least just one more try  
Don't need to say goodbye

Use your reason, will you?  
We both know there is no point now  
Cuz you live by day and I live by night  
Don't you see that I,  
Go and leave me alone,  
I need your love  
You know, Now you're on your own  
I tell you there is no hope left for us

I cannot be only for you  
You have to see this is the truth  
I beg You. Know this, that I love you so much -  
I cannot be - *be only mine* - only for you - *only mine* -  
You have to see this is the truth, I beg You  
Remember the love what we had, I will always love you  
You have to see this is the truth, I pray for You

Remember the love what we had, I will always love you  
I got lost in the quiet of the streets
