

LYRICS – PETER PERJES

Duel's On!

Bruno, Casanova

Death comes so quick, a painless end I guarantee
To who are you talking? I'll live forever
Your number has come up But I'm still counting!

Tell me why you did it? Why didn't you let me?
I don't understand Tell me what drives you

I'm driven by love lust I'm driven by strict law
You can not scare me You're just a scofflaw!
I'm clean as a whistle Did you even love her?
She was the only one Your tongue tells a bold lie

But its true, You lie, Never, Your mine Am I? You die, I'm here Duel's on!

Stab his heart, in the middle, death is found in the heart

*Why did you come between our love?
You're just a nothing!
What?! You can't judge me!
You are pitiful in my eyes!
You don't know me!
You're a cheat and a fraud!
You don't know me!*

You'll see, you will have your dance at the end of a tight rope
Oh I don't care since I've had thousands and one romances

These are the stakes Your life, my life, I take
Is mine, you die, Just try! Duel's on!

Your fate is sealed!

I'm driven by love lust I'm driven by strict law
You can not scare me You're just a scofflaw!
I'm clean as a whistle Did you even love her?
She was the only one Your tongue tells a bold lie

But its true, You lie, Never, Your mine Am I? You die, I'm here Duel's on!
