

LYRICS – PETER PERJES

## **lilDevil**

Mary

I'm a real "good girl," all the saints they look up to me  
When a man on the street came my way, till today  
It never came to me to think that way, "little Angel"  
Lil' voice it starts ringing inside  
When the bell tolls, I can't seem to hide  
Keeps telling me I can't say no forever, "little Angel"

Am I going crazy? The lilDevil just hit on me!  
"When will you be ready? Make your choice now, baby!"  
No one here to save me, lilDevil's deep inside of me  
He is growing stronger, lilDevil inside of me

Wanna feel within, how a man can make me turn to sin  
Temptation is strong need to know  
Why it's special when he whispers to me in my ear "little Angel"  
Lil' voice just keeps ringing inside  
Tolling louder, I can't seem to hide  
Keeps telling me I can't say no forever, "little Angel"

Am I going crazy? The lilDevil just hit on me!  
"When will you be ready? Make your choice now, baby!"  
No one here to save me, lilDevil's deep inside of me  
He is growing stronger, lilDevil inside of me

lilDevil deep inside, he is growing stronger  
So I guess which way I'll go, oh my poor soul  
lilDevil deep inside, he just will not leave me  
Now I know which way I'll go, oh my poor soul  
Am I going crazy? The lilDevil just hit on me!  
"When will you be ready? Make your choice now, baby!"  
No one here to save me, lilDevil's deep inside of me  
He is growing stronger, lilDevil inside of me

lilDevil inside of me, lilDevil inside of me  
Inside of me, inside of me, lilDevil inside of me  
lilDevil inside of me
