

LYRICS – PETER PERJES

## **Torture Me**

Lizzy, Casanova

No, I don't know what it is that's piercing my soul but it hurts so  
And I don't know why it feels so good, so good  
Don't need a reason why  
I wanna feel the ecstasy just washing me over  
Let come what may, oh, I can bear the pain

Tell me what you desire, I will do anything you ask  
I'll be your slave forever, your wish is granted, my command

We know now, we won't survive this  
Maybe temptation is too great  
So sure we won't survive this  
This torture like honey flows through my veins

Like honey just washing me over

Torture me

Don't need a reason why  
I wanna feel the ecstasy just washing me over  
Let come what may, oh, I can bear the pain

Torture me  
Torture like honey flows through my veins

Torture me, you can do it  
Time has come, you must do it  
Torture me, Torture me through my veins,

Torture me, you can do it  
Time has come, you must do it  
Torture me, just washing me over

We know now, we won't survive this  
Maybe temptation is too great  
So sure we won't survive this  
This torture like honey flows through my veins
