Executioner's Show

Bruno

Have you guessed what a nasty scene awaits you?
When you dream and you're living through fear all alone
Nobody, there's no one there to hold you
It's been so long since the time you could live in your dreams

Believe me when I tell you, you're always welcome
This prison bed is just waiting here for you
Believe me when I tell you, you're always welcome
There's no way out from this suite of luxury

Oh no, you don't have to fear forever
Cuz there will be a time when nightmares end
That time has come, you must repent of your sins, get ready
The axe will fall and your head will roll

Come see the show, the executioner's show
Come and see how it goes when the blood starts to flow
Blood starts to flow

Come see the show, the executioner's show
Come and see how it goes when the blood starts to flow

Come see the show, the executioner's show
Come and see how it goes, see how it flows
enjoy the show

Believe me when I tell you, you're always welcome
This prison bed is just waiting here for you
Believe me when I tell you, you're always welcome
There's no way out from this suite of luxury

Come see the show, the executioner's show
Come and see how it goes when the blood starts to flow

Come see the show, the executioner's show
Come and see how it goes, see how it flows

Come see the show, the executioner's show
Come and see how it goes when the blood starts to flow

See how it goes, see how it flows
Enjoy the show
